Gentlemen.

I am in receipt of your favor of 19th instant, and am obliged to you for it. But, since February last I have been unable to give any attention to my collection by reason of trouble with my Eyes, which still continues. I will show your Letter to Mr R. F. Hall who is especially interested in the Brunswick Series. and has a large and valuable collection. Also to Mr Frank Thomas who is making a good collection.

Yours truly
Harvey J. King.
